

Bill Number HB6618 - OPPOSED!

In regards to Bill Number HB6618-"An Act Concerning Medical Assistance For Certain Persons Receiving Abortion Care and Related Services in Connecticut", we are absolutely appalled at this Bill's proposed provisions. We are vehemently opposed to spending our tax dollars for any abortion expenses. We are opposed to abortion. The slogan "My Body-My Choice" should be amended to be "My Body-My Choice-My Cost". Democrats have never met an issue that they wouldn't throw my tax dollars at. Where's your conscience ... Stop the madness!
